<p>Points about the these messages:</p> <ol style="list-style-type: none"> 1. The messages came in their order; as noted, they can be identified in sequential order in our history. 2. The messages are cumulative; they are all still applicable and must be proclaimed. 3. Together they comprise the last messages in scripture to the world; they are our mission. 4. Three messages were sent to prepare people to follow Christ into the next phase of His ministry, in the Most Holy Place of the heavenly sanctuary. Three messages have been sent to us from that location, inviting us in by faith. 5. One message of each set of three applies especially to the messengers, alerting them to what they lack that is keeping them from accomplishing God's purpose for them.
